

Kelab Alami

Mysterious djungle or highway in making?

Knowledge is of no use unless you put it into practice

Is it Malaysian jungle or Jurassic park one stumbles into?

The beauty of nature is truly
spectacular

Will it last though?

The beauty of living near the sea...

The beauty of living near the sea...

...can so easily be distraught by man's
presence.

Maybe we can make a difference, if
we work together
